| | relevance | <ul style="list-style-type: none">Removal of a Person removes Forums of type “Walls” and “Albums” but not “Groups”, which can continue if even the founder has left the network. For Groups, the hasModerator edge is deleted. We have discussed various approaches to appoint a new moderator, e.g.<ol style="list-style-type: none">choose member at random from the set of existing group members orthe member with the oldest group join date becomes the moderator. However, to keep the generator and the workload simple, currently no moderator is selected, leaving the group without a moderator.Removal of a Person removes all Posts/Comments they are creator of this could result in the removal of a Comment in the middle of a thread. | | | | |
